

Freelance Production Artist/Art Director

BCF is looking for an experienced Freelance Production Artist/Art Director to assist our team with ongoing client projects. To start, this would be a position with somewhat variable workflow that we would look to streamline over time. We would require this individual be able to work in our Virginia Beach located office (during normal business hours) as they begin training and learning our systems and processes. There is the possibility for remote work to take place after this initial period.

We are looking for an individual with a strong base of Adobe Creative Cloud programs such as Illustrator, InDesign and Photoshop. The majority of the workload will be resizing ads to fit in different media placements, small design jobs, and production design for publications. Specific knowledge and skills required listed below:

Technical Skills (in no particular order):

- Photoshop
- InDesign
- Illustrator
- Acrobat

Please email Cover Letter, Resume and recent work to abartholomew@bcfagency.com. Please include hourly rate with your response. No phone calls please.
